

The Best Treatment is  
Prevention

# Current Problems

## Doctor

- Lack effective tool
- No incentive
- Time consuming

## Patient

- Expensive
- Painful
- Time consuming
- Low accessibility

## Government

- Costly
- Trend grows fast

**Low Screening Rate!!**

*Reliable*

*Sustainable*

*Handy*

*Wireless*

**3mins Screening**

**98% Accuracy**

**75% Cost Saving**

# Target Market

*The Best Treatment is Prevention*

**Hospitals and Clinics**

**13,000**

**Potential Patients**

**60 Million**

**Market size**

**\$1.2 Billion**

{ Market Value }

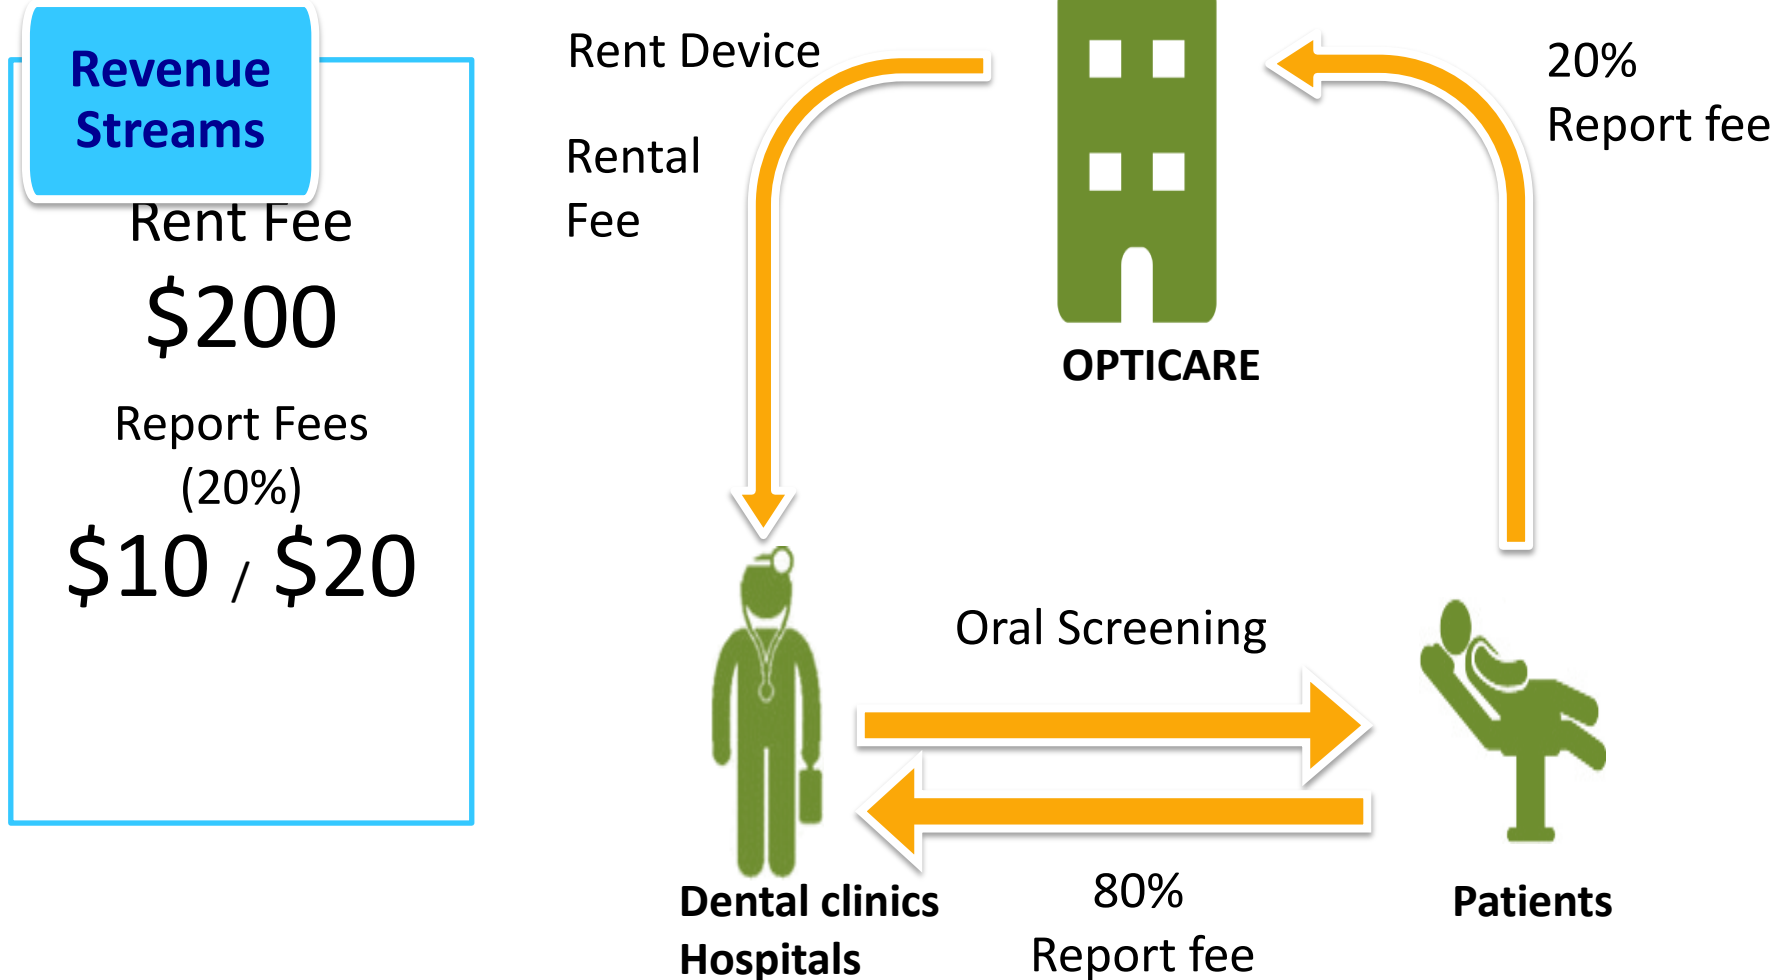

{ Dental Clinics }

{ Patients }

# Business Model

*The Best Treatment is Prevention*

# Autofluorescence

*The Best Treatment is Prevention*

Normal

Abnormal

# Core Technology

*The Best Treatment is Prevention*

Hyper-spectral

Effective frequency range

Algorithm / Database

For potential services

**12** Patent granted

**3** Patent under pending

## Award:

The 10th National Innovation Award

The Houston Technology Center  
Innovation Award

## Journal:

8 published journals

1. Product Development
  - Clinical Trial, FDA
  - Patent filing
  - Database + Software
  - Rapport with strategic partners

## Revenues

1. Taiwan market (TFDA\*)
2. Marketing campaign
3. Community care

1. China market (FDA\*)
2. Next Product
3. Enhance production capacity
